Date of transcription

9/9/98

The following is a combined report of interviews with Mohammad Rashed Daoud Al-'Owhali (hereafter referred to as subject), a male citizen of Saudi Arabia [redacted] that were conducted over a four day period between 22 to 25 Aug 98 at the CID Headquarters in Nairobi, Kenya. Present at the interviews were FBI Special Agents [redacted] FBI language specialist [redacted] as an interpreter and CID investigators [redacted]. Also present during certain segments of these interviews was Assistant United States Attorney (AUSA) Pat Fitzgerald. During these interviews, the interpreter translated to subject in subject's native language without any difficulties in dialects or any other language problems. Throughout these interviews subject appeared to be in good health, well rested and in good spirits. Subject was examined by medical personnel from the FBI on several occasions and received treatment for the wounds he had obtained during the bombing of the embassy. Subject made no complaints as to his treatment while being detained by the Kenyans. It should also be noted that during these interviews subject received food and water on a regular basis as well as snacks when he requested them. Subject also made frequent requests throughout each day to pray and was given every opportunity to do so. A written form prepared by AUSA Pat Fitzgerald was presented to the subject. This form provided subject with his full Miranda rights and advised that it did not promise him that he would be tried in the United States (US), but that AUSA Fitzgerald would make recommendations to the Attorney General for subject to stand trial in the US. Upon being presented with this form, subject signed it and agreed to waive his Miranda rights and tell all he knew about the bombing of the US Embassy in Nairobi, Kenya on 7 Aug 98. At the beginning of each separate interview, subject was presented with the form explaining his Miranda rights and each time subject agreed to waive these rights. The above mentioned form is attached to this FD-302. This report is separated into the following five parts: 1. Background Information; 2. Training in Afghanistan; 3. Planning and Preparation; 4. Day of the Bombing; and 5. Additional Information.
